College Letter- Formatting Draft

Independently, you will be writing a letter to a college of your choice (30 points)

In the first body paragraph, your letter should include your name and age, what school you attend, what grade you are in, and a little bit about the AVID program. Mention the project we are doing and why you have chosen their college to write to.

In the second body paragraph, identify the types of information you would like to receive or know about the college. Be sure to thank them for taking the time to read your letter and respond to you, and that you look forward to hearing from them.
